Atlanta Vaccination Campaign

Greetings Atlanta Neighborhood Associations,

All Georgia residents ages 16 and older are now eligible to receive the Covid-19 vaccine. As part of her vision of One Atlanta, Mayor Keisha Lance Bottoms is encouraging all eligible Atlantans to make their vaccine appointment today. The vaccine is safe, effective, and **free**.

Vaccinations are available at the Mercedes-Benz Stadium and Georgia International Convention Center by appointment.

The vaccine is free, even without health insurance. A government ID is not required to receive the vaccine. Evening and weekend appointments are available.

You can register for an appointment online at **https://gta-vras.powerappsportals.us/**, by calling the Georgia Department of Public Health at **888-457-0186**. Our office can personally assist you in getting an appointment, arranging a MARTA ride, or coordinating door-to-door transportation. If you want to drive, parking at Mercedes-Benz is free when getting the vaccination.

- Vaccine is free
- Free parking
- Free Ride Accommodations
- No Insurance Required
- No ID Required
- Evening and Weekend Appointments

If you have any questions or would like assistance registering for an appointment or transportation, please feel free to contact me directly.
